Dear Santa,

Love,
Dear Santa,
Merry X-Mas! Do you make the toys with the elves or is it just the elves? We had made you cookies for the ride and carrots for the reindeer.

Why do you give coal? Do you have any ideas on what we can do with coal if we ever get it? Who is your favorite reindeer and how did they get their power or magic? How do you eat all of the cookies, go to every house in the world and make it back in time?

People may say they get farther and farther from you, but I think I get closer and closer. People say they don’t believe but they do it not to get bullied, but I will always believe.

From,
Gabrielle
